

Projects

<http://www.prodin.co.za/projects.asp>

Prodin has delivered to the industry for the past 23 years.

- **BSE Scaw Metals
End User** Design, manufacture & installation of Furnace water cooled ducting, including drop-out box.
- **Columbus Stainless** Manufacture of water cooled ducting for converter & furnace. Open ended maintenance contract for all water cooled furnace components.
- **Danieli (Italy)** Export contract via Danieli (Italy) of Ladle Roof Arc and Furnace roof.
- **DB Thermal** The manufacturing of rotors, seal frames and casings for Regenerative Air Pre- Heaters for Medupi and Kusile Power stations.
- **D.V.A.I. (Germany)** Lance Equipment - 40 ton steelwork and fixed elbow (Plant upgrade)
- **Eskom** Electric power station plant upgrade project. Products include Mill Bodies, Mill Tables, Trunnoin Arms, Hydraulic Cylinders and Classifiers.
- **Fuchs Systemtechnik** Long term manufacturing association with this design & consulting company. Includes maintenance & plant upgrade work on a variety of products for the mining & steel sectors. Examples include: Fabrication, Busbars, Roof Panels, Steel & Stainless Side Wall Panels, Furnace Elbows, Copper Panels, Furnace Roofs.
- **Billiton** Lifting equipment, feed chutes, fan housing for Tubatse Ferrochrome, Palmiet Ferrochrome, Silicon Smelters, Middelburg Ferrochrome etc.
- **ISCOR
Pretoria Vanderbijlpark
Newcastle Vereeniging
Klip & Vaal** Maintenance contract on side wall panels. Turnkey plant inclusive of design & manufacture of copper conducting arms & related water cooled components. Manufacturing of water cooled furnace roofs, ducting, dust extraction plant.
- **Mannesmann Demag** Specialised stainless steel water cooled panels &

(Germany)

components.

- **Pyromet**
Gas off-take ducts, water cooled components, general fabrication, bustubes, electrodes, guide rollers, manifolds & tundishes- various furnace roof spares. Export projects. (Thailand, Malaysia, Singapore, USA).
- **Richard's Bay Minerals (Via Fuchs)**
Water cooled panels and retailed products.
- **Scaw**
10 ton furnace side wall panels, 9 ton panels, Bellmouth ducting, copper panels & ongoing repair & maintenance on specialised water products in copper / steel & combination.
- **Voest Alpine (Austria)**
Water cooled elbows, water cooled ducts mod. Steel support structure.
- **Technometal**
Manipulators, oxygen lances, repairs & maintenance.
- **Karcher Engineering (Germany)**
Various export projects. (Thailand, Malaysia, Singapore, USA).
- **GBE (England)**
Manufacture of Stainless Inductors and water cooled components.
- **Iscor Vereeniging**
Water cooled elbows, water cooled ducts mod. Steel support structure.
- **BSE Badische Stahl (Germany)**
Manufacture of complete furnaces for Iscor Vereeniging.
- **Hatch**
Manufacture of furnace shell & copper bustube system for Lonmin Platinum including electrode column assemblies.
- **Greenblat & Hutton**
Manufacture of electrode column assemblies & copper bustube assemblies for Anglo Plats in Polokwane.
